From Our Pastor

I want to take this opportunity on behalf of our entire parish to thank **Mary Weiss** for all of her tireless efforts in chairing our **HOSPITALITY** (FORMER FELLOWSHIP) **COMMITTEE.** Our recent parish picnic was the last event that she coordinated for the committee as she is stepping away from her leadership role. She will remain active in the group and focus on capturing our many events in photos to be shared in the bulletin, our web-site and on our e-posters. May God bless you Mary, for all that you have done, and will continue to do to make our parish a more welcoming one in which we are able to expand our fellowship opportunities to grow in our love for our Lord, and one another. I am so pleased to announce that **Paula Dudzinski** has stepped forward to now chair our **HOSPITALITY COMMITTEE.** Building on what Mary and so many others have done through the years, we are so grateful to Paula and those who have already begun to assist her as was evident during our "Donut Sunday ~ Bethlehem Olive Wood Carving Sale" hospitality event after all the Masses this past weekend. A wonderful time was had by all! If anyone would like to be a part of the Hospitality Committee, or just help out please contact Paula at hospitality@seas1.org. We have some exciting plans for additional hospitably experiences planned in the future, so I strongly encourage anyone who might be interested to become a part of this wonderful ministry to our parish.

I also call to your attention our upcoming **MASS FOR VICTIMS OF SEXUAL ABUSE AND IN REPARATION FOR THE SINS OF THE CLERGY** on Friday, October 26th from 7:30-8:30 p.m. Fr. Perez and I will also be hosting a "listening session" immediately after the Mass downstairs in the Fellowship Hall. All are welcome, but due to the nature of the topics that will be discussed, please use prudent judgement when considering the presence of young ones. I strongly encourage your consideration in coming together as a parish community to pray for healing and strength for all victims of abuse, and for an outpouring of the Holy Spirit upon our nations Bishop's as they gather for their annual meetings next month. We pray that they may have the courage and enlightenment to take further concrete steps to further purify the Church and hold those responsible to the fullest account possible.

Come Holy Spirit, Come! ~ *Fr. Bashista*

Weekly Reflection:

The Source of Love

Many people aren't particularly interested in God. But there is probably no one who is not interested in love. This interest may be distorted—love can be sought where it can't be found. Still, it is love which, more than anything, occupies us in all that we do and are. Literature, art, theater, movies—everything focuses on love, and it can't be any other way. The human being has an innate longing for love; to be human is to long for love. God is love. Where love is found, there is God. It is God who stirs this human hunger, and it is God alone who ultimately can satisfy it. Even where God is not known, love between human beings can be deep, true, faithful. In this case, it is divine and has its origin in God. Still, the human heart can never find complete rest until it has come to know the source of love. The source is inexhaustible. In God there is always more love to be had. And it is precisely God's infinity that can satisfy our hunger for love. No matter how great and beautiful human love may be, it only attains its true value if we have found the origin of love. God will not close our hearts to human love, friendship, tenderness, intimacy. But he will open your heart to the love that will never be extinguished or die, and that love exists in him.

Stewardship Reflection:

"For the Son of Man did not come to be served, but to serve and to give his life as a ransom for many." (MARK 10:45)

If you held a mirror up to your life, would it reflect God's love and mercy? If you are struggling with this, try changing your attitude from "I want more" to "thank you God for everything you have given me, I have enough to share". This change in perspective will bring you joy through service to others.

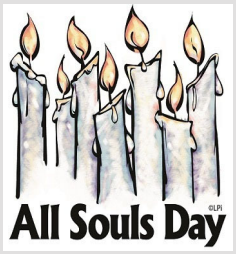
Join us for a Teaching Mass

Why do Catholics sit, stand, and kneel so much?
Why do we make the sign of the cross?
Why do we dip our hands in holy water?
Have these and other questions answered!

You are welcome to attend any of the following sessions:

Thursday, October 25th from 6:30pm—8:00pm
Friday, November 9th from: 6:30pm—8:00pm
in the Main Church.

Preparation for All Souls Day



One of the greatest traditions of our Catholic Church is to dedicate the entire month of November to praying for the souls of our loved ones who have died. On November 2nd, All Souls Day, Catholics remember their loved ones. You are encouraged to write the names of all your deceased loved ones on the slip below, cut out on the dotted line, fold and place in the basket located in the narthex before November 2nd. This basket will be placed in the Sanctuary of the church during All Souls Day Masses and it will remain there the entire month of November.

"Eternal rest grant unto them, O Lord, and let perpetual light shine upon them."
