### **GREETERS—NEW MINISTRY!**

“Creating a welcoming atmosphere here at SEAS is the responsibility of every member of our parish family, however we realize the great benefit of having a more intentional team of servant leaders who are willing to become members of a new **Greeting Ministry** here in our parish. The plan is to have at least one Greeter in attendance at each weekend Mass to welcome parishioners, visitors and guests. They will be present at the Greeter/Usher stand in the narthex to greet, answer any questions, or share information on the many aspects of parish life and ministry opportunities. Resources and training will be provided. If you are interested, please sign-up at the Ministry Fair or contact the parish office to become a SEAS Greeter!”
